LONG MAY IT WAVE!!  
T-O-D-A-Y.

It is the happiest of all the glad-some year. And an entire nation rejoices, swelling up with pardonable pride until there is danger of egotism, which would furnish an unparalleled example. All that is animate over a vast area glories in the thought that one above us all has permitted them to live to participate on this glorious occasion. Even the dead are here in spirit, not being able to come in the flesh. Nature herself revels. Every part and parcel is infused with new life for this day only. The grand old mountains look on approvingly, and the fretful waves have calmed and smilingly greet all who pass over its fair bosom. We feel that some awe inspiring sentiment pervades everything movable and immovable to-day. Such a feeling as comes over one but once in a life time—hard to explain—a sensation at once pleasurable yet undefinable, bringing back to our mind the birth of our Nation, a grand event, still attended with misery and sorrow to our patriotic sires, but whose joy after sufferings in the holy cause of Liberty more than recompensed them. Liberty and Union are the fruits which they bequeathed us, and our present position is the best evidence that their sons have grown in the estimation of the lovers of freedom by maintaining and cherishing such a blessed inheritance. We should to-day again resolve that the Nation shall, under God, have a new birth of freedom; that the Government of the people, by the people, and for the people, shall not perish from the earth. We can hardly collect our thoughts sufficiently to do the occasion justice. As we look around and realize the proud position our country holds among the nations of the earth to-day it seems like a dream that such events have taken place during the past century. Aladdin's mythical achievements with his wonderful lamp are as nothing in comparison. His was but the work of genii, and ours accomplished and consecrated by the lives of strong human beings, the noble work of the master-mind, who ordained that their graves should thus be made honorable. But let us celebrate to-day. It will quicken our gratitude and fix more firmly our principles. And let the era of good feeling initiated be continued forever.

EVMA MINE.—We mentioned some time ago that a crosscut had been started at a depth of 94 feet in the shaft to tap the ledge which had fallen to one side. They found it at a distance of only eight feet. The ledge matter is fully seven feet wide, while the center of it is very fine ore indeed, none of which will go less than \$70 to the ton. They are not down to the water line yet so have no difficulty with it. This is very fortunate, as they have no machinery on the ground, all of their work being done by a windlass. It will be prospected at this level thoroughly so that all future work will be made intelligible.

RIBS BROKEN.—Last Saturday an employe of Peter Marker, named Anchor, at Washoe City, had two ribs broken by a piece of ice falling on him.

THE boys who are to turn out with Hose Cart No. 1, on the 4th, should be on hand at 9 1/2 that morning.

No baby ever goes away from the Flying Gallery because they can't get a picture. Take notice, mothers, and improve the opportunity. Pictures of all kinds cheaper than ever before known in Reno—at the Great Flying Gallery.

FLYING GALLERY still to the front. No half-toned photographs. No under developed tin types. No clap trap of any kind at the Flying Gallery. Tin types 50 cents a bucket full.

FOR SALE.—A new dwelling house, one story and a half high, six rooms, with kitchen, pantry and cellar, on Plaza street, near railroad depot. Inquire of C. W. JONES.

Views only \$1 each and no charge for taking negatives at Budden's. \*

WANTED.—Twenty-five good square timbermen. Apply to S. S. Watson, Hunter's Creek, below Mackey & Fair's upper mill. \*

NEW TO-DAY.  
DEMOCRATIC RALLY.

GRAND TILDEN AND HENDRICKS RATIFICATION MEETING.  
AT RENO ON  
Saturday Evening, July 9th, 1876.

The Washoe County Democrats, Independents and all men "opposed to the rotten, corrupt and thieving" administration of the affairs of the General Government as practiced by the Republican party and evidenced in each department of the Public Service by the criminal action of its incumbents (Republicans) high in authority, acknowledged leaders of the party, commencing with Simon Cameron, ex-Secretary of War, whose peculation drove him to resignation of his position and finishing with members of the present Cabinet, including in the list of rumpuses, a long line of such men as Schuyler Colfax, General Belknap, General Babcock and General Schenck, whose corrupt and thieving practices, backed by and in league with an almost invincible power of the most perfectly organized body of office-holders (over 80,000 strong) ever known in the world's history, striving only for perpetration of their power and consequent immunity for crimes past, and security from future molestation. This vast army of leeches upon the body politic in turn leagued with and supported by a still larger army of ringleaders whose sole business is dividing and executing means for robbing the Public Treasury, the Bank, the Railroad, the Indian Reservation contract and other rings, each robbing the Treasury of millions annually, and each the other's protector, forming a compact mass of corruption and power so formidable in its proportion as to require the united efforts of the American people to free our country from this blighting curse. For this purpose and to this end all honest reformers are invited to participate in the ratification of the St. Louis nominees, for PRESIDENT, GOVERNOR S. A. TILDEN of New York, for VICE PRESIDENT, HON. T. A. HENDRICKS of Indiana, able Statesmen, pure Patriots and Tried Reformers, whose election is a guarantee to our country of the speedy and certain destruction of all wicked combinations, corrupt rings and influences used to the injury of the Public Service and of condign punishment to the perpetrators. Whose election will be a guarantee that all operations of the Government will be conducted on the strict old Jacksonian principle of Honesty, Capability, Republican Simplicity. Whose election makes merit a leading qualification for retention in official position. Whose election ensures the carrying out of the principles promulgated as the platform of the party in the coming campaign. Then come forth every well-wisher of his country and by a united effort, show our appreciation of these Great Reformers and Eminent Statesmen.

The most eminent Speakers of the State from Virginia City and our local orators will address the meeting.

By order of the Democrats of Reno, in Mass Meeting assembled and of the County Central Committee.

HENRY WESTON,  
Chairman Democratic County Com.

No PAPER.—To-day being such a grand occasion—in fact the grandest of the many grand events of this eventful year—we have concluded to be as patriotic as our neighbors, so there will be no JOURNAL issued to-morrow morning. After that it will appear as usual.

LONG MAY IT WAIVE.—Last evening the flag was hoisted on the new flag pole which was raised over the stores of Jamison and Jacob Prescott. Both of these patriotic gentlemen are "in" in this enterprise.—Mr. Jamison furnishing the 15-foot flag and Mr. Prescott the pole. The ceremony of raising was accompanied with music by the Reno Band. The centennial flag looked queenly as it spread to the breeze.

New Pastor.—Last Sunday night Rev. G. H. Smith, of Ohio, a graduate of California University, preached his first sermon in the Congregational Church. We hope he will do much good. His predecessor, Rev. W. J. Clark, has labored zealously for nineteen months, and now leaves this place for Illinois respected by all who have had dealings with him. We hope all will be benefited by the change.

New House.—A. C. Hobart, the well known conductor on the V. & T. R. R., laid the foundation of a new house on the other side of the river last Saturday. It is to be situated between H. H. Beck's and J. E. Jones' residences, and will be fully in keeping with the elegance of those fine edifices. We are glad to see this class of buildings going up, for they betoken prosperity and permanency.

BURIED.—Yesterday morning a telegram was received from Mrs. Fannie Fagan, wife of the man whom Kelly shot last Saturday night, telling them to bury him and in the Fall she would have it removed to Salt Lake. The body was yesterday morning encased in a coffin and carried to the cemetery, followed by a few acquaintances, where it now rests.

INSPECTOR.—Mr. Degenhardt, of Williamsburg, L. I., is here inspecting the mines under the charge of Mr. Charles Bever, agent of the New York and Brooklyn Company. These mines, the Brooklyn and Emma, are recent discoveries, and he came to see what their prospects for value and permanency were. He is satisfied that they are a good property.

PRIVATE SCHOOL.—On Monday, July 10th, Miss Sadie Cross will open a private school in the room back of the Congregational Church. All who wish to give their children the advantage of a first class private school will do well to send them to Miss Cross. Tuition only fifty cents a week.

Flags, banners and evergreens on every hand. The principal business houses are decorating for the celebration to-day in a style never before witnessed in Reno. Red, White and Blue will monopolize all other colors to-day.

Be careful of fire to-day. And keep your eye open for the petty larceny thieves, of which there are a number in town.

## PROCEEDINGS OF THE BOARD OF COUNTY COMMISSIONERS.

The Board met yesterday at the usual hour. Present—Peleg Brown (chairman), Orrin C. Ross, and Judge Owens, Commissioners; J. E. Jones, Sheriff; H. B. Coesitt, District Attorney; and J. S. Bowker, Clerk. H. B. Coesitt tendered his resignation as District Attorney of Washoe county. The same was accepted, and Wm. Cain appointed to fill the vacancy. Mr. Cain filed his bond, and entered upon the duties of the office.

The following claims against the county were allowed:

W. M. Carraker, \$183; J. G. Longborough, \$20; H. L. Fish, \$3; M. Hamilton, \$99; Louis Eckrodt, \$10 50; Orvis Ring, \$237 50; J. B. Williams, \$67 80; J. S. Shoemaker, \$126 50; N. Jones, \$15; J. E. Jones, \$173; W. H. Roberts, \$20; W. Sanders, \$30; R. H. Kinney, \$20; N. C. Hasland, \$478 40; A. M. Lamb, \$93; G. W. Huffaker, \$300; Pat Kelly, \$3; W. A. Morrison, \$32 22; H. B. Coesitt, \$250; C. C. Powning, \$225; G. W. Avery, \$73; H. W. Barlow, \$231 50; A. Flemming, \$18; H. H. Hogan, \$275; A. J. Hatch, \$5; R. A. Frazer, \$690; J. S. Gilson, \$157 45; Hogan & Dawson, \$60; Peleg Brown, \$37; O. Ross, \$27; E. Owens, \$34 20.

The quarterly report of J. E. Jones, Sheriff, was received and placed on file.

The protest of A. J. Hatch and others against construction of a ditch through the Court House yard was rejected.

The report of N. C. Hasland, Reno Road Supervisor was received and placed on file, as also the report of Road Supervisor Morrison, of Glendale.

The petition to declare all streets and alleys in Reno public highways was laid over until next meeting.

Wadsworth road district was created, and G. W. Sawyer appointed Supervisor.

Geo. Palmer was appointed School Trustee for Peavine.

The petition of Hatch and others for change of public road to East Mill street was ordered laid over for further consideration and compromise of parties in interest.

Board adjourned until first Monday in August.

MINERS' MEETING.—Pursuant to notice the miners of Pyramid Lake District met last Saturday and organized the meeting by the selection of Hesper Stevens, as Chairman, and J. G. Law, Secretary. The Secretary read the by-laws as adopted April 12th, 1876; thereupon it was moved that the said by-laws be adopted as read, which motion was carried. On motion the rules were suspended and a committee of three were appointed to draft an amendment to the section of the by-laws relating to the fees of the Recorder. Geo. Hepperly, N. J. Salisbury and E. F. Reed were appointed and reported as follows, to wit:

"We, your Committee, appointed to regulate the fees of the District Recorder, recommend as follows: For filing notice, 50 cents; for recording notice, \$1; for transcript of notice and record, \$1; for measuring and building monuments, \$2."

(Signed)  
E. F. Reed, }  
G. W. Hepperly, } Com.  
N. J. Salisbury, }

On motion, the above amendment was adopted. On motion the meeting adjourned.

ICE CREAM PARLORS.—Alf. Jose has fitted up cosy and neat ice cream and soda rooms on Virginia street, next to the Centennial dry goods store. To-day he will have strawberry, lemon and vanilla ice cream, of delicious flavor, and soda, sarsaparilla, lemon, strawberry, pine-apple and other kinds of soda water. Think of this when you are sweltering with the heat.

FIGHTS.—Last Sunday was a remarkable day for the number of fights, quarrels, bloody noses, black eyes and the other consequent damages. They were so frequent at one time that a person—no, not even a reporter—could get around fast enough to see them all. No serious injuries were done we believe. The celebrating of the 4th was at that time thought to be fairly commenced.

GREAT AS WAS THE SUPPLY OF flags laid in by our merchants they were all gone by 4 o'clock yesterday afternoon. Everybody bought them.

## Halls of Honor.

The following are the names of those scholars in the Intermediate department of the Reno school whose standing for the month ending June 30th have reached an average of 95 per cent.: Julia Wintermantel 100, Armenia Grippen 100, Flora McKay 100, McLeete 100, Irene MaLott 100, May Benham 100, John Ridinger 100, Grant Rice 100, Ben Buncel 98, Lottie Stanley 98, Fanny Russack 99, Alma Smith 99, Becky Prescott 99, Emma Ruhe 99, Jennie Hill 96, Alice Huyck 96, Mary Stiner 97, Josie Barnes 98, Lillie Knust 96, Henry Higgings 97, Pauline Schaefer 97, Bertha Ruhe 99, George Coffin 99, George Knox 99, Charley Jones 98, Leota Ranous 98, Katy Kincaid 99, Mary Anderson 98, Emma Cutting 98, Jennie McKernan 97, Persia Bishop 95, Louis Wintermantel 99, Henry Marks 95, Eddie Graff 95, Willie Winfrey 96.

The following list comprises the names of those students in the Reno Grammar School that have reached a standing of 90 per cent. in scholarship and deportment for the last month and a half of the term just closed: Mollie Grippen 97, Flora Northrop 98, Emma Gibbs 96, Willie Marsh 97, Lauritta Haslund 93, Josie Wintermantel 94, Henrietta Russack 94, Gertrude Lippman 95, Mary Marsh 97, Maud Johnson 88, Mollie Roff 91, Carrie Richardson 95, Allie Higgins 95. The following are the names of those neither absent nor tardy during the time above mentioned: Maud Johnson, Alf Holladay, Flora Northrop, Willie Noyes, Eddie Coffin, Blanch Leonard. During the entire school year just closed, Miss Flora Northrop has not once been absent or tardy.

List of scholars standing 90 per cent. and over in Brown's school for five weeks ending June 30th, E. C. McClellan, teacher: Willie Barney 90, Albert Brown 97, Agnes McKinnon 90, Maggie Wright 92, Fannie Wright 92, Lucy Barney 96, Annie Ritter 97, Ettie Roussel 98.

BLOCKED.—A wagon drawn by oxen got stuck yesterday morning on the old antediluvian bridge. It was laden with machinery which was too wide to pass between the arches. By a series of prying, cussing and sweating they managed to get over after half an hour's delay. In the meantime a large number of vehicles, pedestrians and horsemen gathered on either side and aided in the misapplied Scripture. We thus have but a foretaste of what it will be when that rotten old concern takes unto itself wings.

FATAL.—Sunday evening Thomas Porterfield was thrown from a balky horse at Dr. Hogan's ranch, some seven or eight miles up the river. He has been completely paralyzed ever since from the effects of the concussion, and it is thought that the spinal column is either fractured or dislocated. No hopes are entertained of saving him.

GODDESS OF LIBERTY.—The Fourth of July Committee have selected Miss Mollie Roff to act as the Goddess of Liberty in the procession to-day. This choice is very satisfactory to all, and the estimable lady will make a dignified, stately appearance such as Columbia need not be ashamed of.

We call attention to the "house for sale" in another column. As residences are very scarce this one will no doubt find a purchaser. Call upon Mr. Thomas for full particulars.

Our office was the recipient yesterday of some delicious ice cream from Sam Welch, who thus appropriately celebrated the appearance of his new ice cream wagon, which is engineered by the "General."

HOTTEST.—Sunday was the hottest day of the season, the thermometer registering 102° in the shade. Oh for an iceberg! Shirt collars lasted three minutes.

The display made by the tradesmen plying their several vocations to-day promises to be one of the features of the procession. For several days they have been decorating and arranging for this occasion.

ATTENTION KNIGHTS!—Knights of Pythias will take their horses to Hyman & Evans' corral, proceed to their Castle Hall, uniform and march back to horse, mount at 10 o'clock sharp to-day. By order,

DANCE.—Whatever else you do to-day don't forget the dance to-night at the Reno Opera House by the gallant firemen. They have done everything that it is possible to do to make it a success, and of course they will do it. A more befitting ending of this day can not be had than to trip the light fantastic toe to soul-inspiring music, with gallant men and fair ladies on all sides. Go and we know the courtesy of the floor managers and the sociability of the crowd will compel you to admit that you were glad you went.

THE Haves and Wheeler Club should be formed immediately. Let a meeting be called at once, and let us go into the coming campaign with banners flying and a determination to win. A Centennial President is just what the Republican party needs to complete its long list of triumphs. We will have it if the party does its duty.

FAILED TO CONNECT.—The Piper's Opera Company who were advertised to play here on the 1st, 3d and 4th of July failed to put in an appearance entirely. We are unable to learn the cause of this failure. Ashton has always been prompt before.

Reno was livelier last night than we have seen it for many a day. Bands playing, people in crowds walking, cannons firing and flags flying made a scene which shows fully the depth of patriotism which pervades every heart.

THE news from Pyramid continues of a most flattering character. The rock continues to increase in value as it is prospected. We are assured by the miners there that they are confident that the result will be a ten fold profit. We hope so.

FLAGS.—The demand has been greater than the supply, and you can't buy a flag for love or money. On this account many places will not be decorated to-day.

OTHER parts of the State are holding picnics, but we will not say a word until after the 4th is well done away with. A few will be very enjoyable this hot weather.

POSTPONED.—Reno Engine Co. held a meeting last evening, but all business was postponed until next Monday night, when the officers for the ensuing term will be elected.

ALTHOUGH the new story was not finished, Chamberlain insisted upon putting up a staff, so that the star spangled banner could float. And it set the house off too in good style.

PROF. ANDRESS had a good audience at the Opera House last evening, and performed his tricks in a very clever manner. An entire change of programme this evening.

BABY HAT.—Some one lost a baby hat on the street last night. The owner can have the same by calling at this office.
